# Support the Growth of the Michigan CyberPatriot Program

**70,000 Jobs Open in Cybersecurity  
in the Northern Midwest**  
**8,000 in Michigan**  
**508,000 Nationally**  
**2.8 Million Globally**

*[www.cyberseek.org](http://www.cyberseek.org)*

To fill these open  
jobs we need  
4 Million in the  
pipeline to close  
the skills gap!

# Getting Students into the pipeline

**AFA National CyberPatriot Competition, fastest growing in the country  
With over 30,000 student participating last season**

**Needs Technical Mentors to teach Operating System and Network Security, virtually to Middle School and High School ages students**

**Teachers Coach the team, but lack the cybersecurity experience these students need, but with your help they can succeed!**

**Low barrier to entry: three levels of play, only need 3 PCs, competition has been virtual for 13 years, inexpensive registration (\$205 HS, \$165 MS, title 1 schools and all girl teams FREE)**
