Deborah Blyth, CISO, State of Colorado
Andy Hanks, CISO, State of Montana
Maria Thompson, State Chief Risk Officer, State of North Carolina, Dept of IT
- State & Local Cybersecurity Funding
Ross Nodurft, Senior Director of Cybersecurity Services, Venable
John Guerriero, Cybersecurity Policy Analyst, National Governors Association
Matt Pincus, Director of Government Affairs, National Association of State Chief Information Officers
Jill Shapiro, Senior Director, Global Government Affairs Office, Tenable

10:20 AM – 10:55 AM

Visit with Sponsors & Break

Take the time to visit with today's sponsors in their virtual booths to hear how you and your business may benefit from their many programs and services.

10:55 AM

Session Kick Off

Laura Clark, Chief Security Officer, State of Michigan

11:00 AM – 11:15 AM

Election Security

Questions of how best to secure American elections has been a hot button topic for years and has only grown in intensity as we approach the November 2020 elections. Listen to Jonathan Brater, Director of the Michigan Bureau of Elections, as he discusses the cybersecurity-related challenges we face in the upcoming elections and the work being done to combat them.

Jonathan Brater, Director, Michigan Bureau of Elections

11:15 AM – 12:00 PM

Panel Discussion – Gold Sponsor Panel

This summit seeks to examine the cybersecurity threats and solutions of the larger digital ecosystem. The panelists will seek to better understand the similarities and differences in the threats that face the public and private sectors and the approaches being taken by organizations in both sectors to protect themselves and respond to crises. With both public and private sector clients, our panel will provide a unique perspective on the convergence/divergence of the mindsets and requirements between these types of organizations.

Brom Stibitz, State Chief Information Officer & Acting Director, Michigan Department of Technology, Management & Budget (moderator)

Panelists:

Deborah Golden, US Cyber & Strategic Risk Leader, Deloitte Risk & Financial Advisory

Joel Hollenbeck, Director of Engineering, Office of the CTO, Check Point

Bryan Kissinger, PhD., Vice President, CISO, Trace3

Nick Rossmann, Global Lead, X-Force Threat Intelligence, IBM Security

12:00 PM – 12:40 PM

Breakout Sessions – Attendees may choose one session to attend during this time. Topics include:

- Cyber Threat Trends
 - Michael Melore, CISSP**, Cyber Security Advisor, IBM
 - Jon Clay**, Director: Global Threat Communications, Trend Micro, Inc.
 - Jared Phipps**, Vice President of Worldwide Sales Engineering, SentinelOne
- Silver Sponsor Panel Discussion
 - Laura Clark**, Chief Security Officer, State of Michigan

 - Daryl Knopf**, Senior Solutions Architect, GitLab

- Defaced! Assessing the Threat of Web Defacements Against Gov't, Military, and Civilian Websites Across the United States from 2012 to 2017
Thomas J. Holt, Ph.D., Director, Professor, Michigan State University, School of Criminal Justice

12:40 PM

Keynote Speaker

Bradford J. Willke, Assistant Director (Acting), Cybersecurity and Infrastructure Agency

1:00 AM – 1:10 PM

Cybersecurity & Law Enforcement

Col. Joseph Gasper, Director, Michigan State Police

1:10 PM

Closing Remarks

Laura Clark, Chief Security Officer, State of Michigan

DAY 2 - THURSDAY, OCTOBER 8, 2020

9:00 AM

Welcome & Opening Remarks

Laura Clark, Chief Security Officer, State of Michigan

9:05 AM

Keynote Speaker

Michigan Governor Gretchen Whitmer

9:15 AM – 9:25 AM

Recognition and Rewards Presented by Lt. Governor Garlin Gilchrist II

- Michigan CyberPatriot Program
- SANS Girls Go CyberStart Program
- Governors High School Cyber Challenge Program

9:25 AM – 10:05 AM

Panel Discussion – Increasing Diversity in IT and Cybersecurity

Countless studies have shown clear imbalances in the demographics of the country's' cybersecurity professionals, depriving government and private organizations alike of potential resources to better secure themselves. This panel will feature a discussion of the challenges in expanding the diversity of the cybersecurity workforce, possible solutions, and the experiences of those who have done it.

Moderator: **Suzette Kent**, Former United States Federal Chief Information Officer

Panelists:

Jennifer Tisdale, Principal of the Cyber-Physical Systems Team, GRIMM

Anthony Tuttle, Program Manager, Cyber + Tech Initiatives, West Michigan Center for Arts & Technology

Tabice Ward, Director of Information Protection and Security, DTE Energy

Laura Clark, Chief Security Officer, State of Michigan

10:05 AM – 10:45 AM

Breakout Sessions – Attendees may choose one session to attend during this time. Topics include:

- Developing the Next Generation of Cyber Talent
Patrick Schultz, Co-Founder, Michigan Initiative for Cybersecurity Education (MICE)
Dennis Klaas, Co-Founder, Michigan Initiative for Cybersecurity Education (MICE)
Tamara Shoemaker, Founder of the Michigan CyberPatriot Program, Director Center for Cyber Security & Intelligence Studies, University of Detroit Mercy
Geanie Umberger, Executive Director, Purdue Cyber Apprenticeship Program (P-CAP)
- The Future of Mobile Technology and Security for the Digital Citizen
